# As My Ministry Draws to a Close

Allison and Bob Vevang's confirmation class invited me to join them for breakfast to talk about my work at GCC. The muffins were delicious. The discussion was engaging. Our time together began with one of the confirmation students reading my October Executive Board report, outlining my time with GCC through the end of the year.

I talked briefly about my ministry here and then these inquiring teenagers asked questions. I won't remember all of the questions. Let me try to capture some of them. What does it mean to be ordained? What attracted you to GCC? What have you most enjoyed about being here? When did you know you were going to be a minister? Were you surprised by the vote at the congregational meeting or did you have some sense that it would happen that way? Is it difficult to be here now? When you leave, will you be glad that you were here?

What an amazing array of questions. What a wonderful conversation.

I continue to talk with members and friends of GCC about what lies ahead for the church and for me. I am glad to have these conversations. A few weeks ago a member who has been away for a while greeted me with her regrets that I would be leaving and then asked about my sabbatical. She was interested in what I did while I was away. We spent some time looking at the sabbatical highlights and talking about what a renewing experience it was.

I am updating my ministerial profile which will be a key document in my search for a new call. Prior to my call to GCC, I served as the pastor of a church in Chicago. I will explore opportunities to serve as a sole pastor or as senior minister of a multi-staff church.

Several people have commented on the "Ordained Minister's Code" that was included in a recent Broadcaster. There is a companion piece from the United Church of Christ, which I have attached. It is called "The Church in Relation to its Pastor" and covers ministry, partnership, ethics, and commitments. Both of these documents were included with the Letter of Call that GCC provided me when I began my ministry here. They are helpful documents as churches and ministers live out their calls to ministry.

I will be here through the end of the year. On December 27th, the morning worship service at 9:30 will incorporate the liturgy that formally ends my authorized ministry. Rev. Gloria Hopewell, a representative of the Chicago Metropolitan Association will participate in that service, just as representatives of the wider church participated in the service of installation when I came to GCC over six years ago. I'll see you in church.

### THE POINSETTIA GIVING TIME HAS COME...

Our Sanctuary will be beautifully filled with live color for our Christmas services. As usual, we will take them to members and friends of GCC who are not able to attend our Church over the season. If you would like to take the opportunity to deliver a poinsettia, or more, to these homes, please call Mary Ellen Johnson (847)998-1363. Plants can be taken for delivery after the Christmas Eve service or picked up on December 26th. Sharing a part of our Church at this time provides a blessing to those who give and those who receive. Your offer will be greatly ap-

preciated. Pick up poinsettias on December 26 from 10:00 a.m. to 12 noon in the circular drive at the Sanctuary entrance.

## Weather Policy

With the recent reminder that winter has arrived here is a reminder of the policy for closing the building due to weather conditions. Glenview Community Church building will be closed for activities due to snow or ice if District 34 Public Schools are closed. This involves the Resale Shop, Glenview Community Church Nursery School, and meetings scheduled in the building during the day and/or evening. Staff members are to take safety precautions in getting to work. Should weather conditions cause delay or make it impossible for staff members to report for work, they are to communicate their situation to their supervisor. In the event of severe wintry conditions, the Senior Minister in consultation with the Facility Manager and the Moderator will determine appropriate action in closing the church office. Access to the building will be the West Entrance if a facility staff member is present.

Regarding Sunday worship, decision will be made on a case by case basis by the Senior Minister in consultation with the Facility Manager and the Moderator. Every effort will be made to conduct worship services. On severe weather days building entry will be through the West Entrance. Due to the difficulty of communicating cancellation of worship services in a timely manner, only in the most severe wintry weather conditions of excessively deep snow and/or blizzard like conditions will worship services be cancelled. In such a circumstance, Board Chairs will be called and asked to call their board members and board members will be asked to call friends and acquaintances they know to communicate that worship services are cancelled. If worship services are cancelled, local media will be contacted to assist communicating this information.

In the event of a closing, when possible an e-blast will be sent to the list we have on file. The message on the telephone will reflect the current situation.

If you would like to have the Broadcaster mailed to you First Class, please return a check to the office marked "First Class Broadcaster Mailing" in the amount of \$22.00. The deadline is December 31, 2009.

### **Stewardship Campaign**

As an update for the 2010 campaign, we have received 469 pledges for a total of \$959,806 - that's an increase of 9.22% from 2009. Through this outpouring of generosity, we, as a congregation, continue to show faith in this church and provide a means for this institution to remain firm and committed in growing a strong faith community.

We thank you for your love and commitment to Glenview Community Church. We also welcome those of you who have not responded yet to this campaign and look forward to hearing from you.

It has been a privilege to be a part of this journey with all of you so far this year – and we thank you for the trust and confidence you have given our board in carrying out

this important campaign for our church. We look forward to communicating to you as a congregation throughout the rest of this church year with exciting new events you can participate in to continue opportunities for growth and development at GCC.... stay tuned!

### **Health Screening**

Have you suffered a broken bone in your hip or spine? Do you feel as if you are getting shorter? If you answer "yes" to either of these questions, you may want to consider being screened for the risk of osteoporosis. We are pleased to offer a Life Line Screening preventive health event that can be used to detect just such a risk. Life Line Screening uses a quantitative ultrasound bone densitometer, using the heel as a measurement site, to assess one's risk of osteoporosis. This screening compares your bone density to that of the average 20-year-old adult female, according to World Health Organization guidelines. The osteoporosis screening is not only for women. Of the 10 million Americans who have been diagnosed with osteoporosis, 2 million are men.

#### **PRE-REGISTRATION REQUIRED**

To register please call Your Health is in Your Hands at 1-888-653-6441 or for more information.

The screening will take place on Tuesday, January 12, 2010.

# The Church Relations to its Pastor in the United Church of Christ

#### THE MINISTRY

This local church recognizes itself as a part of the people of God and fulfills its purpose as it becomes a community for ministry and mission. We recognize our pastor as a person called by God who has attained particular skill and competence in leading our local church in fulfilling its mission and ministry.

We have called our pastor to preach and teach the gospel, to administer the sacraments and rites of the Church, and to exercise pastoral care and leadership. As we expect the pastor to be responsible in preaching and teaching the gospel and in administering the sacraments and rites, so will we be responsible for receiving and heeding the Word of God that comes through the proclamation of the gospel and the celebration of the sacraments and for responding to the pastoral care and leadership offered.

#### PARTNERSHIP IN MINISTRY

We believe that the ministry and mission of the Church are given to all baptized Christians. We will nurture and join our gifts for ministry with those of the pastor in the Church and in the world.

In all matters pertaining to the life, organization, and mission of this local church, we will work cooperatively and collegially with the pastor.

We recognize that our church and our pastor are part of the larger faith community that is the United Church of Christ, and we will be and will support our pastor in being responsible participants in our Association, the Conference, and the United Church of Christ.

We recognize that our church and our pastor are part of the Church Universal, and we will be and will support our pastor in being responsible participants in ecumenical activities in order to strengthen the unity, witness, and mission of the Church everywhere.

#### THE ETHICS OF MINISTRY

We will regard all persons with equal respect and concern and will support and expect our pastor to undertake to minister impartially. We will not discriminate against any person, group or organization on the basis of race, gender, age, sexual orientation, faith, nationality, ethnicity, marital status, or physical, mental, or emotional disability.

We recognize that we have called our pastor as the pastoral leader of this local church, and we will not invite other pastors to provide pastoral services within this church or to members of this church without our pastor's consent.

We recognize and respect that our pastor receives confidential and privileged communication.

We will establish policies regarding baptism, communion, marriages, funerals, and the use of church facilities and personnel in consultation with our pastor and will honor them in our life as a local church.

We respect the privacy of the pastor's family and the family's right to time together without interruption.

We do not expect the pastor's family to assume roles of leadership or levels of involvement beyond the family's wishes.

We recognize that conflict or tension between our pastor and the local church can arise. Should divisive tensions threaten our life together, we will seek the counsel of the Conference or Association Minister or the Association Committee on the Ministry.

#### **COMMITMENTS IN MINISTRY**

We recognize the many and diverse expectations we have of our pastor, and we will offer our support through prayer, encouragement, and partnership in the ministry of this church.

We recognize our responsibility to provide our pastor with adequate compensation and fringe benefits. We will make these decisions in consultation with our pastor and in light of the compensation guidelines established by our Conference. We will provide for an annual review of compensation that considers effectiveness, cost of living, ministerial competence, and years of service.

We recognize our pastor's need for physical and spiritual renewal, and we will provide adequate time and resources for study, devotion, leisure, vacation, and sabbatical.

Relying on the grace of God, we will lead lives worthy of the calling to which we have been called.

#### GCC Christmas Offering **The Night Ministry and Community Renewal Society**

During this Advent season, as we prepare to celebrate the arrival of Jesus, let us also take time to reflect on his teachings and come together in support of the 2009 Christmas offering for The Night Ministry and Community Renewal Society.

Only donations put in the special Christmas envelope or checks noted with "Christmas offering" will go towards this special collection. Please be generous in your giving.

Please read the information below (taken from each of the agency web sites) to learn more about these two important organizations:

Every month, The Night Ministry serves hundreds of individuals ... all ages, races, religions, sexual orientations, economic and educational backgrounds. The basis for all programs includes non-judgmental listening, caring support, and connecting people with resources to empower them to change their lives for the better. We serve youth and adults who face multiple complex challenges on a daily basis, including homelessness, poverty, abuse, loneliness, and neglect. (www.thenightministry.org).

The Community Renewal Society empowers people to build just communities by working to eradicate racism and poverty. It does so by informing, organizing, training, and encouraging individuals and communities in sustained and strategic efforts to engender systemic change. The vision of Community Renewal Society is of a just community where race and class no longer limit each person's full participation in all aspects of society (www.communityrenewalsociety. org)

The Night Ministry was created out of diverse religious traditions to build relationships with vulnerable vouth and adults on the nighttime streets. Recognizing the uniqueness, dignity, and value of each person, we accept individuals as they are, in an affirming and compassionate manner. We call the larger community to the same mission (www.thenightministry. org).
